

TOPIC: Healthy me!

<p>LEARNING VALUE: Collaboration</p>	<p>HOOK/OUTCOME: The children become both chefs and dieticians as they create a delicious healthy salads to be tried and tested by the members of their class!</p>	
<p>IMPORTANT DATES: Staff Training days: Friday 29th September and Friday 20th October. Parents evenings: Tues 17th and Thurs 19th October Class Trip to Tesco: Date to be confirmed.</p>		<p>HOMEWORK: Maths: given on Fridays and due in the following Friday. Spellings: given on Mondays and tested on Fridays.</p>
<p>TOPIC: The aim of this topic is for our children to gain a better understanding of how to stay fit and healthy, not just through the food they eat but through physical exercise. They will learn about the food groups and the benefits each of them has on the body, what makes up the human body and the job of the digestive system. They will explore teeth, learning about the types of teeth, how they have evolved due to changing diets and what is considered good oral hygiene.</p>		<p>STAYING SAFE: This term the children will be learning about internet safety. We will look at games and apps that can put them at risk and talk about how to make safe choices whilst still enjoying the internet.</p>
<p>MATHS: Our focus this term is number and calculation. We will continue working daily on learning our times tables with a focus on the 8 and 6 times tables this term. We will also be reviewing different methods for addition and subtraction.</p>	<p>LITERACY: We will be looking at a range of text types, focusing on writing recounts, letters and also non-fiction fact texts. We will focus on improving spellings and handwriting, whilst using targets to improve our writing skills</p>	<p>RE: We begin the year with a focus on prayer, where the children create a class prayer book. Our first term will then progress into a topic on creation where the children will think about how we are made 'in the likeness' of God and what this means to them today.</p>
