

LEARNING VALUE: Collaboration		HOOK/OUTCOME: Visit to Winchester science museum
IMPORTANT DATES: <u>Upper School Mass:</u> Wednesday 17 th January at Our Lady of Fatima <u>Winchester Science Museum Visit:</u> Tuesday 6 th February <u>Year 4 Mass:</u> Wednesday 7 th February <u>Half term:</u> Finish 3.15 on Friday 9 th February		HOMEWORK: Spelling booklet – spellings to be tested every Friday. Maths – given out on Monday – due in every Friday.
TOPIC: This term we will be learning all about space. We will look at the planets and how they move around the sun, gravity and how this affects us, as well as a detailed look at the moon and its effects on our tides. This will link into our reading and writing, as we will be creating our own space/sci-fi story!		STAYING SAFE: Friendship week: To consider what constitutes identity and the way we stereotype. ICT: I can choose a secure password and screen name.
MATHS: We are continuing to focus on improving our reasoning and explaining skills by using images to illustrate our ideas. We will look at a range of maths topics, including measures, statistics and how we can use data to help us.	LITERACY: Our focus this term is on securing the skills and gaps identified through our mock SATS before half term. We are looking at developing our reading skills in summarising, using inference to understand feeling and how writers can use language to describe characters.	RE: We begin the term looking at the Epiphany, and the role of the three kings in spreading the word of Jesus. We will also look at the role of the story for us today. In revelations, we will look at the role of the story of the disciples in our lives today, and for Christianity as a whole.
