TOPIC: Our focus this term is on world war two and on the continuing impact of the events on our lives today. We will look at the people that lost their lives and how we remember them today. Our science will focus on sound and how the waves travel so that we are able to hear them. We will complete a range of experiments to prove our own theories.		STAYING SAFE: Friendship week: To consider what constitutes identity and the way we stereotype. ICT: I can choose a secure password and screen name.
MATHS: We are continuing to focus on improving our reasoning and explaining skills by using images to illustrate our ideas. We will look at the relationship between fractions, decimals and percentages.	LITERACY: In writing this term, our focus in on the grammar we use when composing our fiction and non-fiction texts, including parenthesis and subordinate conjunctions. Our reading will focus on prediction skills and understanding the meaning of a text.	RE: For the build up to advent and Christmas, we will focus on the journeys and feelings of those making there way to see baby Jesus and how they had hard choices to make. We will look at how the prayers of others help in times of need, and how those of Mary were answered.
