Winchester Planetarium: Tuesday 6th February 2018

Dear Parents,

To inspire our children to 'reach for the stars' this term, we would like to take our year 6 learners to visit Winchester planetarium and Science museum. Here, they will learn all about our solar system including: the planets and how they move, the moon and how it affects earth and about future space travel. As well as this amazing experience, they will experience and take part in a variety of science experiments and further their understanding about the range of science topics they have learnt here at St Joseph's

The visit will take place on **Tuesday 6th February 2018** - we would like the children to come to school in comfortable clothes and footwear, wearing their school jumper. Could they please bring their packed lunch and drinks in disposable containers and carrier bags - Thank you! As we will not be visiting the shop, your child does not need any spending money.

The coach will leave school at 09:00am and return at 3pm. To cover the cost of the coach and entrance fee, we are asking for a contribution of £11.50. Please could you make your payment, either by our secure online payment system Parentpay, or by completing the permission slip below and returning along with the money in a sealed envelope marked with your child's name and the name of the trip by **Friday 26th January 2018** . If you would like to pay using Parentpay, you will be requested online to tick a box to give consent and will also be asked to give any additional information such as emergency contact and medical information in a mandatory "Notes" section. If you are paying by Parentpay, you do not need to return the paper permission slip. Unfortunately, if insufficient contributions are collected, the trip will have to be cancelled.

With best wishes,

Mrs. D. Pipe
Year 6 leader
