9th January 2019

Dear Parents,

Free Magic Breakfast

Our school is proud to be part of the National School Breakfast Programme, making sure every child has the right fuel for learning. This programme is a new National School Breakfast Programme funded by the Department for Education and delivered by the charities Family Action and Magic Breakfast.

Next week all children in school will be given the opportunity to have a piece of bagel when they come to school (younger children will have a smaller amount). This is for 4 terms initially, free of charge and will be offered from 8.40 – 8.50 a.m. every morning in class. There will also be a gluten free alternative.

We all know that having a breakfast sets you up for the day and even if your child has breakfast at home, the opportunity of having something in a social atmosphere with their friends will benefit the start of the school day.

Please encourage your children to take part in this new scheme.

Thank you

Yours sincerely

Mrs. N. O'Donoghue
Head of School
