

PUPIL PREMIUM PROPOSED SPEND for Year 2017/2018

During the year 2017/18 the school has been funded in the region of £15,000 (the actual figure has not yet been confirmed). Our school proposes to spend its allocation of Sports Premium on the following:

- Continue to increase participation rates in PE activities by:
 - Maintain swimming provision developed I 2015/16 for all Y3 pupils
 - Give pupils the experience of different sports over a sustained period (e.g. fencing)
 - Reward and celebrate pupils' achievements
- Extend opportunities to participate in extracurricular activities:
 - Maintain and develop further the range of extracurricular activities. Engage with Bournemouth University to support clubs and lessons
 - Provide targeted clubs to ensure girls' and boys' engagement (e.g. girls' football and girls' cricket)
 - Sports leaders programme to be extended beyond Y6 and into Y5. Leaders will be recruited, trained and deployed at lunchtime to facilitate sports at lunch times
- Extend participation in competitive sport:
 - Provide the PE lead with regular time to organise and plan for competitive sport opportunities
 - Provide transport and staff to support inter school competitions (e.g. football, tag rugby, cross country)
 - Include regular intra school competitions as part of the PE curriculum (e.g. hand ball, tag rugby)
 - Make links with training providers for teachers (e.g. cricket for teachers, FA skills course)
 - Develop tag rugby as a competitive sport and enter events.
- Provide inclusive PE curriculum:
 - Provide additional TA support to support inclusion in all lessons and focused intervention when needed
 - Ensure that disadvantaged pupils have priority booking on extra-curricular clubs
 - Enter team into disability sports events
- Maintain and develop partnerships:
 - Maintain existing partnerships (e.g. Dorset cricket, PEDSA, fencing association, Murry football)
